**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

USTelecoms claim is false. I am a residential consumer who supports broadband competition. I use a small internet service provider, and you should NOT rig the game for the giant corporations.

This will adversely affect millions of people across the country... there is not one good reason for you to do this.

Thank you
